NARRATIVE

On 06/10/2019 at approximately 1030 hours, I was in full uniform and assigned as the 9X9B to [REDACTED], Airbnb headquarters.

Upon my arrival, I was notified by Airbnb head of security [REDACTED] that on 06/07/2019, a male named (S1) [REDACTED] had attempted to make a customer service complaint at [REDACTED]. Airbnb security told me that [REDACTED] stated that he had a grievance against Airbnb and was unsatisfied with their response. Airbnb security stated that [REDACTED] and his juvenile son (R2) [REDACTED] protested outside of Airbnb with picket signs. Airbnb security advised me that [REDACTED] had stated he would return to [REDACTED] Street on 06/10/2019 to continue protesting. Airbnb security stated that he believed [REDACTED] was possibly intoxicated on 06/07/2019.

At approximately 1030 hours, I observed [REDACTED] and his son marching across the street from [REDACTED] Street with picket signs denouncing Airbnb and Lyft, a ridesharing cab company. [REDACTED] was yelling loudly about being owed money. [REDACTED] marched across the street while his juvenile son, who appeared to be approximately ten years of age, marched back and forth in front of the entrance to [REDACTED] for approximately one hour. According to the Weather app, the weather was approximately eighty degrees. [REDACTED] purchased a beverage for his son which he consumed throughout the time he was picketing. [REDACTED] and his son left after approximately one hour.

At approximately 1700 hours, [REDACTED] and his son returned and the two began marching in front of the entrance to [REDACTED] Street close to the front doors. Myself and Airbnb security advised [REDACTED] that he could march on the sidewalk in front of the building but not on the curtilage of the premises. [REDACTED] screamed: "My son and I will walk where the fuck we want!" but complied and moved onto the sidewalk. I attempted to talk to [REDACTED] regarding his grievance but he yelled: "Don't fucking talk to me!" [REDACTED] and his son marched back and forth with signs in front of [REDACTED] Street for approximately one hour. During this time, he instructed his son on approximately ten occasions to approach employees exiting the Airbnb building and ask them: "Do you care about me?" [REDACTED]' son complied with this command. Regardless of the way employees would react, [REDACTED] would interject and scream: "You see [REDACTED], they don't care about you! They only care about their dirty money!" [REDACTED] repeated several phrases multiple times, including: "Go make that dirty money!" "You're all gutless!" "You're defecating in my son's mouth! But you don't care!" [REDACTED] approached several Lyft drivers picking up clients in front of [REDACTED] Street and screamed: "Don't tip them! Cheap fucking sons of bitches!"

According to the weather app, the temperature at this hour was approximately 90 degrees. [REDACTED]' son [REDACTED] did not appear to be a willing participant in his father's protest. Luke appeared embarrassed and ashamed, and continually asked [REDACTED] when they could go home. After [REDACTED] would scream at employees or myself, [REDACTED] approached me on multiple occasions and whispered: "I'm sorry about my dad." [REDACTED] appeared to be nervous about his father seeing him talking to me or catching him failing to hold up his sign. [REDACTED] reprimanded [REDACTED] when [REDACTED] appeared to become tired of holding up his picket sign or when [REDACTED] would hesitate upon being commanded to approach employees. [REDACTED] also periodically repeated some of his father's demands for justice. [REDACTED] appeared to fluctuate between being verbally aggressive and calmly asking Airbnb security for water for his son. [REDACTED] took a brief five minute break to purchase [REDACTED] a beverage from a store across the street. [REDACTED] proclaimed loudly that he wished myself and security would "dance" with him while continuing to march in front of the premises. After approximately one hour of protesting, [REDACTED] and his son drove away in a white truck. It should be noted that despite [REDACTED]' verbal outbursts, use of expletives, and aggressive tone of voice, he did not make specific threats towards anyone or touch anyone in my presence. [REDACTED] did not appear to be intoxicated during the course of our interaction, and [REDACTED] appeared to be healthy and uninjured.

It should be noted that throughout the course of our interaction, I did not activate my body worn camera per department policy, due to the fact that [REDACTED] was exercising his First Amendment right.

I provided Airbnb security a Follow-Up Form with a case number. Surveillance footage of the incident is available at [REDACTED]. I conducted a records query of [REDACTED] based on the information provided to me by Airbnb and positively identified him by his Calphoto. A records query also revealed that [REDACTED] has no outstanding wants or

warrants for his arrest. I notified Sgt. Cole #1268 of the incident. I forwarded a copy of this report to CPS and Southern SIT.
